Subject:-Exemption to Mr.Y.S.Naik, Sub-Divisional clerk, Bagalkot, from the prescribed age limit.

*****

Sir,

I have the honour to state that in July last a vacancy of a Sub-Divisional clerk's post occurred in the Bagalkot Sub-Division of the Bijapur Division. As there were no clerks belonging to the Backward Class employed on the Sub-Divisional clerical establishment of the Bijapur Division the Executive Engineer was instructed to fill the vacancy by appointing a candidate belonging to the Backward class. Accordingly, on a reference being made in the matter to the Assistant Backward Class Officers, Bijapur and Dharwar, some 5 candidates were suggested and were called for interview. Out of them only one was found suitable and selected but he, having received another offer of employment, was not willing to accept the post in this Department.

2. Subsequently, the Executive Engineer, Bijapur Division secured a local man Mr.Y.S.Naik, from the Backward class (Mahar) and as he was found suitable has been appointed to the post as a temporary measure with effect from 2nd October 1939. The age of this clerk, however, is 29 years and exceeds the prescribed age limit for Backward Class candidates by one year.

3. In this connection, I attach herewith a copy of letter No.B.C.323, dated 30th September 1939 from the Assistant Backward Class Officer, Central Circle, Bijapur, addressed

to the Executive Engineer, Bijapur Division, wherein he has recommended that the case of Mr.Y.S.Naik be referred to Government for condonation of the age limit.

4. As it is very difficult to secure suitable Backward Class candidates, the Executive Engineer also recommends that Mr.Y.S. Naik be exempted from the prescribed age limit. I agree with the Executive Engineer and request that in the circumstances Mr.Y.S. Naik may be held to be exempt from the prescribed age limit.

I have the honour to be,

Sir,

Your most obedient servant,

Accompaniments:-

A clerical vacancy occured in July last in the Bagalkot Sub-Division of the Bijapur Division, and as there were no clerks belonging to the Backward Class in that Sub-Division, a reference was made to the Asstt. B.C.O., Bijapur and Dharwar. Out of the 5 Backward Class candidates whose names were suggested and who were interviewed, only one was found suitable and was selected but he was unwilling to accept the

the post. It is thus seen that the Executive Engineer had taken steps to recruit a duly qualified Backward Class candidate for the clerical post (it is presumed that the selected candidate was within the age-limit) but that he could not get one within the prescribed age-limit. He has however, now secured a Backward Class man, one Mr.Y.S.Naik, who except for exceeding the age-limit, has been found suitable in all other respects for appointment to the post. Having regard to the fact that there is not a single Backward Class candidate in the clerical estt. of this Sub-Divn., this Deptt. may,as a special case, agree to relax the age-limit in favour of Mr.Y.S.Naik.
